Instructions: Must email request for a hydrant use permit. Email to include: this form, a site plan or draw sketch as well as indicate the hydrant location. The fee for a "Hydrant Use Permit" is \$1,600 (\$100 + \$1,500 deposit). Upon receiving all documents via email, an invoice will be generated. Invoice must be paid on-line www.coralgables.com or at City Hall located at 405 Biltmore Way, Coral Gables, FL, 33134. Provide proof of payment via email. A "Hydrant Use Permit" will then be generated and emailed. When the hydrant is no longer needed, send an email requesting a refund for the \$1,500 deposit. The fire department will then perform a full inspection of the hydrant to assure the hydrant was not damaged and left in good working condition. If it is found to be in good working condition a refund for the \$1,500 deposit will be issued via a check in approximately 15 business days.
